2. Enter **your work email** (see the list at the end of this guide).

3. Everyday use

When something is assigned to you

- Open it from **Overview** or **My actions**.
- Add a **note** if you need to leave context for others.
- Mark **complete** when done (you can reopen if needed).

When you need something from leadership

- Use **New request**.
- Add a clear title, short details, and a due date if useful.
- Send it — Craig or Laura will see it on the shared hub.

Private work reminders (only you)

- Open **My to do · Work**.
- Add a **Work task** or **Work request** for yourself.
- These stay private — they do not appear on the shared team actions table.

Prefer the hub for anything with an **owner** or **due date**. Keep email for conversation if needed.

4. Your login emails

Sign in with the email next to your name:

Name	Work email
Akal Dalby	akal@helpingheroes.com.au
Elise Gurney	elise@communityassist.com.au
Evi Ackland	evi@communityassist.com.au
Jessica Goodsell	jessica@helpingheroes.com.au
Paige Banning	paige@crconsulting.net.au

If your email changes later, Craig or Laura will update it — then use the new email to sign in.

5. Quick tips

- Works on phone and computer (use the menu button on mobile).
- **My to do · Work** is private to you.
- Team tasks and requests are shared with the right people.
- Password: minimum 8 characters — choose one you'll remember.
- Questions about the hub → Craig or Laura.

Thanks — looking forward to running our actions from here.
